Sir

I have the honor to submit herewith for favor of sanction an estimate and plan amounting to Rs 3000/- for the construction of a class musafirkhana in Bagepalli Town, the want of which has been greatly felt by the travelling public. During the current year the construction of only one block will be undertaken and the expenditure confined to the Budget provision of Rs 1000/- for the purpose, the second block being constructed when funds permit. The balance of the cost of the 1st block viz Rs 668/- including the cost of the well and the compound wall will be met from next year's Budget after completion of the work. The ~~District~~ Board have approved of the same in their meeting held on the 10th February '91.
